Hi Alex & Deb,

Thank you very much. I'm honored I was selected for this award. I appreciate Region 1's leadership in the EPA Region 1 PFAS meeting by allowing the community involvement and presentations as it helped to set the tone for the other regional meetings across the country.

Thank you for all that you do.

Best,
Andrea

Congratulations on your selection as a 2018 National Notable Achievement Award (NNAA) winner! The 2018 NNAAAs recognize exemplary accomplishments achieved by regional, state, local and tribal personnel in waste management and emergency response programs between October 1, 2016, and September 30, 2017.

As an awardee, you will soon receive a personalized certificate and letter signed by Barry Breen, the Acting Assistant Administrator of the Office of Land and Emergency Management (OLEM), however, Deb and I wish to extend our congratulations to you directly. Efforts such as yours are a major reason Region 1 is known for such tremendously high quality level of work. Thank you, for all you do.
